**Hints About Water:** An opportunity to learn more about the water in **Las Vegas** and saving the environment is being offered Sundays at 10 a.m. on *The Truth About Water* airing on **KDWN 720 AM**. Hosted by **Danny Prince**, the program aims to provide an increased awareness about water and eliminate water myths and misconceptions. Program topics include water contaminants, the health benefits of water and information on how each person can have a more environmentally-friendly home by eliminating pollutants in their water supply. Listeners can also call 257-5396 and ask questions about water during each show. For more information visit [www.DiamondPure.com](http://www.DiamondPure.com).
